

EC Declaration of Conformity

Corresponds to EN ISO/IEC 17050-1:2010

The undersigned, representing the following supplier

Evikon MCI OÜ, reg. 10299402

Teaduspargi 9, Tartu, 50411 Estonia

as the developer and manufacturer of the products listed, declare under our sole responsibility that the product trade named as

Cold room emergency system

Series E6600

to which this declaration relates, are in the state as delivered in conformity with the provisions of the following EC Directive when used in accordance with the installation and operating instructions contained in the product documentation:

Council Directive 2014/30/EU, as amended, EMC Electromagnetic Compatibility.

Council Directive 2014/35/EU, as amended, Low Voltage Electrical Equipment.

Conformity to the Directive is assured through application of the following harmonized EN standards:

EN 61000-6-3:2007, EN 61326-1:2013 (EMC, Emissions)

EN 61000-6-1:2007, EN 61000-6-2:2005, EN 61326-2-1:2013 (EMC, Immunity)

EN 378-1:2016+A1:2021 (Refrigerating systems and heat pumps - Safety and environmental requirements)

The design and the manufacturing process used for the equipment listed are in conformity with the quality requirements process required by ISO 9001:2015 Quality management systems standard.

CE implementation date: 01.03.2025
